#### Suggestions from the team

- Amna - Instagram to promote events
- Jannine - Social Media team for promotion
- Lorry - Sangha should be about community, <sup>[I]</sup><sub>[SEP]</sub> people leave cameras off and she can't see or connect with them. This is unlikely to change due to people listening when doing other things etc.
- Helen would like physical meetings for Sanghas, meet with GP members after retreats

- Michael suggested contacting Insight Timer Meditation app to offer Helen talks or videos. There are FREE meditations offered on their app with a donation button for the teacher. <https://insighttimer.com/meditation-app>
- Sharon asked about Helen recording audio books but it requires a recording studio for Audible quality
- Sharon asked about using Sounds True for publishing and audio but they are too expensive.

Thanks to everyone for every input.

Maggie
